1. **PURCHASING CARD.** The District may use a Purchasing Card to order goods and materials and/or to make payment of invoices under this bid. The Bidder, by submitting a bid, agrees to accept this manner of payment and may not add additional handling charges or service fees to purchases made with the District's Purchasing Card(s). Refusal to accept this condition may cause the bid to be declared nonresponsive, or result in revocation of the contract, if already awarded.

## V. SPECIFICATIONS

- A. **PASSENGER CAR AND LIGHT TRUCK TIRES.** All passenger car and light truck tires bid shall have a temperature rating of at least B, a treadwear rating of at least 400, a traction rating of at least A, and a speed rating of at least Q. All tires bid must be available for delivery within one business day of order and must be one of the brands listed in Section B below.
- B. **APPROVED BRANDS, PASSENGER CAR, LIGHT TRUCK, AND LARGE TRUCK.** All new tires bid must be manufactured by one of the following manufacturers: Goodyear, Bridgestone or Michelin. New Tires shall be branded with the letters ECSD, followed by a sequential number. Upon award, the beginning number will be provided to the successful vendor by the District's Transportation Department.
- C. **RECAP TIRES.** Must use the Bandag, Goodyear, or Michelin Caps and process.
- D. **LARGE TRUCK TIRES AND RECAPS.** All tires (larger than 19 inch rim size) bid shall be all wheel position highway ribbed radial tires, and shall have at least 18/32 inch of usable tread.
  1. All tires shall be delivered mounted and balanced on rims supplied by the School District. Rims showing wear or paint degradation shall be inspected with x-ray and powder coated either gloss black or school bus yellow as appropriate.
  2. All large truck tires shall be delivered with tires branded. If not already branded, recapped tires shall be branded with the letters ECSD followed by a sequential number. Upon award, the beginning number will be provided to the successful vendor by the District's Transportation Department.
- E. **RECAPPING PROCESS.** The required recap shall be the latest technology and shall be by cold cap process.
- F. **TREAD DEPTH.** Range shall be 18/32 to 22/32
- G. **RECAP TIRE SIZES.** The tire sizes are 9R-22.5, 10R x 22.5, 255/70R 22.5 and 11R/22.5.
- H. **INSPECTION.** Inspections must be made by a certified operator.
  1. Must use the latest technology for inspection such as Casing Analyzer (Stereography). Any other method must be approved, in writing, by Escambia County School District's Director of Transportation.
  2. Inspection will take place from bead to bead.
    - a. **Casings accepted for re-treading shall not contain any of the following.**
      - i. Ply separation
      - ii. Exposed bead wire

**B. CAR, SMALL TRUCK AND TRAILER TIRES.**

1. These prices are all inclusive, including pickup and delivery from and to ECSD Transportation Garages in Pensacola and Walnut Hill, Florida. No charges may be added at any time that are not included below. If you have additional charges, these must be listed below and your proposal must reflect this deviation from the specifications.
2. Please bid pricing for tire only, please do not include mounting and balancing.
3. Pricing bid must include pickup and disposal of used casing.
4. Only One Set of Prices should be submitted.
5. Please bid only approved manufacturers. Only bids for manufacturers listed in Section V. B will be accepted.
