To protect any confidential information contained in their Proposal, companies must invoke the exemptions to disclosure provided by law in response to the RFP, and must identify the data and other material to be protected, and must state the reasons why such exclusion from public disclosure is necessary.
- C. **WARRANTY:** All goods and services furnished by the Bidder, relating to and pursuant to this RFP will be warranted to meet or exceed the Specifications contained herein. The Bidder will, at the request of the School District, supply certificates evidencing such coverage.
- K. **RISK OF LOSS:** The Bidder assumes the following risks: (1) all risks of loss or damage to all goods, work in process, materials and equipment until the delivery thereof as herein provided; (2) all risks of loss or damage to third persons and their property until delivery of all goods as herein provided; (3) all risks of loss or damage to any property received by the Bidder or held by the Bidder or its suppliers for the account of the School District, until such property has been delivered to the School District; (4) all risks of loss or damage to any of the goods or part thereof rejected by the School District, from the time of shipment thereof to Bidder until redelivery thereof to the School District.
- L. **LAWS AND REGULATIONS:** Bidders will comply with all applicable Federal, State and Local laws, statutes and ordinances including, but not limited to the rules, regulations and standards of the Occupational Safety and Health Act of 1970, the Federal Contract Work Hours and Safety Standards Act, and the rules and regulations promulgated under these Acts. However, upon award and subsequent default by Bidder, the School District reserves the right to pursue any or all of the following remedies: (1) to accept the next lowest available RFP price or to purchase materials or services on the open market, and to charge the original awardees for the difference in cost via a deduction to any outstanding or future obligations; (2) the Bidder in default will be prohibited from activity for a period of time determined by the severity of the default, but not exceeding two years; (3) any other remedy available to the School District in tort or law.
- S. **AUDIT AND INSPECTION:** The District or its representative reserves the right to inspect and/or audit all the Bidder's documents and records as they pertain to the products and services delivered under this agreement. Any proposal submitted with strike over or white out corrections that are not initialed will be rejected as non-responsive.
2. **Return your original proposal and one copy.** The copy should be a photocopy of your original proposal and there should be no differences in the RFP document or attached enclosures. Any difference or failure to include RFP attachments in both sets may cause your bid to be rejected. **Please mark copy "COPY."**
3. Product specification sheet or certifications must be attached if requested for an item in the Specifications and Pricing Section and/or if offering alternate items. **Sending these sheets with your sample product does not negate the need to attach these as part of your proposal.**

- G. **EVALUATION CRITERIA:** Evaluation of proposals by the Evaluation Committee (consisting of representatives of the District's Food Services Department and Purchasing Department) will be made to ascertain which proposer best meets the needs of the School District. The School District reserves the right to evaluate by lot, by partial lot, or by item. Award will be made on the following criteria:
 - 1. Line Item by Low Price: Award for each line item will go to the vendor with the lowest price when the low price is for a product on the approved products list or where an alternate product is bid, was tested and approved by the District upon receipt of sample as detailed in this RFP. The District reserves the right to reject any bid with a minimum shipment requirement; therefore, low bid with minimum shipment requirements will only receive the award if the minimum shipment quantity is accepted by the District. Products approved prior to posting of RFP are listed in the Specifications and Pricing Section (Section VII).
 - 2. Award by Lots: Aggregate low price for all line items in a lot (i.e. all cereal would be one lot) will be awarded to one vendor.
- H. **ALTERNATE BID:** The District shall have sole discretion in accepting or rejecting any alternate product offered.

Florida Department of Agriculture and Consumer Services
Bureau of General Services
DRUG-FREE WORKPLACE PROGRAM
BIDDER CERTIFICATION

IDENTICAL TIE BIDS - Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids which are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

- 1) Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
- 2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
- 3) Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
- 4) In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
- 5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
- 6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.
