- A. **GENERAL:** Upon an RFP award, the terms and conditions of this RFP or any portion thereof, may upon mutual agreement of the parties be extended for an additional term(s) or for additional quantities (all original terms and conditions will remain in effect). Subject to the mutual consent of the parties, the pricing, terms and conditions of this RFP, for the products or services specified herein, may be extended to other municipal, city or county government agencies, school boards, community or junior colleges, or state universities within the State of Florida.
- B. **RFP OPENING AND FORM:** Proposal openings will be public on the date and time specified on the Proposal Acknowledgement form. All proposals received after the time indicated will be rejected as non-responsive and retained by the District. All proposals submitted shall become public record upon an announcement of a recommended award or thirty (30) days after the opening date whichever occurs first. To protect any confidential information contained in their Proposal, companies must invoke the exemptions to disclosure provided by law in response to the RFP, and must identify the data and other material to be protected, and must state the reasons why such exclusion from public disclosure is necessary.
- C. **WARRANTY:** All goods and services furnished by the Bidder, relating to and pursuant to this RFP will be warranted to meet or exceed the Specifications contained herein. In the event of breach, the Bidder will take all necessary action, at Bidder's expense, to correct such breach in the most expeditious manner possible.

All goods or services are subject to the School District's inspection and approval upon arrival or completion. If rejected, they will be held for disposal at the Bidder's risk. Such inspection, or the waiver thereof, however, will not relieve the Bidder from full responsibility for furnishing goods or work conforming to the requirements of

this RFP or the RFP Specifications, and will not prejudice any claim, right, or privilege the School District may have because of the use of defective or unsatisfactory goods or work.

- I. **STOP WORK ORDER:** The School District may at any time by written notice to the Bidder stop all or any part of the work for this RFP award. Upon receiving such notice, the Bidder will take all reasonable steps to minimize additional costs during the period of work stoppage. The Bidder will carry comprehensive general liability insurance, including contractual and product liability coverage, with minimum limits acceptable to the School District. The Bidder will, at the request of the School District, supply certificates evidencing such coverage.
- K. **RISK OF LOSS:** The Bidder assumes the following risks: (1) all risks of loss or damage to all goods, work in process, materials and equipment until the delivery thereof as herein provided; (2) all risks of loss or damage to third persons and their property until delivery of all goods as herein provided; (3) all risks of loss or damage to any property received by the Bidder or held by the Bidder or its suppliers for the account of the School District, until such property has been delivered to the School District; (4) all risks of loss or damage to any of the goods or part thereof rejected by the School District, from the time of shipment thereof to Bidder until redelivery thereof to the School District.
- L. **LAWS AND REGULATIONS:** Bidders will comply with all applicable Federal, State and Local laws, statutes and ordinances including, but not limited to the rules, regulations and standards of the Occupational Safety and Health Act of 1970, the Federal Contract Work Hours and Safety Standards Act, and the rules and regulations promulgated under these Acts. - O. **CONFLICT OF INTEREST:** The award hereunder is subject to the provisions of Chapter 112 Florida Statutes. All Bidders must disclose the name of any company owner, officer, director or agent who is an employee of the School District and/or is an employee of the School District and owns, directly or indirectly, an interest of five percent or more of the company.
- P. **TERMINATION: DEFAULT:** The School District may terminate all or any part of a subsequent award by giving notice of default to Bidder, if Bidder: (1) refuses or fails to deliver the goods or services within the time specified; (2) fails to comply with any of the provisions of this RFP or so fails to make progress as to endanger performances, hereunder, or; (3) becomes insolvent or subject to proceedings under any law relating to bankruptcy, insolvency, or relief of debtors. In the event of termination for default, the School District's liability will be limited to the payment for goods and services delivered and accepted as of the date of termination. **CONVENIENCE.** The School District may terminate for its convenience at any time, in whole or in part any subsequent award. In which event of termination for convenience, the School District's sole obligations will be to reimburse Bidder for (1) those goods or services actually shipped/performed and accepted up to the date of termination, and (2) costs incurred by Bidder for unfinished goods, which are specifically manufactured for the School District and which are not standard products of the Bidder, as of the date of termination, and a reasonable profit thereon. In no event is the School District responsible for loss of anticipated profit nor will reimbursement exceed the RFP value.
- Q. **DRUG-FREE WORKPLACE:** Whenever two or more RFPs are equal with respect to price, quality, and service, an RFP received from a business that certifies that it has implemented a drug-free workplace program as defined by Section 287.087 Florida Statutes, will be given preference in the award process.
- R. **PERFORMANCE:** In an effort to reduce the cost of doing business with the School District, and unless indicated elsewhere, no RFP or performance bond is required. However, upon award and subsequent default by Bidder, the School District reserves the right to pursue any or all of the following remedies: (1) to accept the next lowest available RFP price or to purchase materials or services on the open market, and to charge the original awardees for the difference in cost via a deduction to any outstanding or future obligations; (2) the Bidder in default will be prohibited from activity for a period of time determined by the severity of the default, but not exceeding two years; (3) any other remedy available to the School District in tort or law.
- S. **AUDIT AND INSPECTION:** The District or its representative reserves the right to inspect and/or audit all the Bidder's documents and records as they pertain to the products and services delivered under this agreement. Such rights will be exercised with notice to the Bidder to determine compliance with and performance of the terms, conditions and specifications on all matters, rights and duties, and obligations established by this agreement. Documents/records in any form shall be open to the District's representative and may include but are not limited to all correspondence, ordering, payment, inspection and receiving records, and contracts or sub-contracts that directly or indirectly pertain to the transactions between the District and the Bidder.
- T. **SAMPLES AND BRAND NAMES: BRAND NAMES.** Specifications referencing specific brand names and models are used to reflect the kind and type of quality in materials and workmanship, and the corresponding level of performance the School District expects to receive as a minimum. The package or envelope will reference the RFP Number, RFP Title, and RFP Item Number and clearly marked "Samples". All samples will be provided free of charge, including transportation charges. Bidders are responsible for notifying and making arrangements for pick up from the School District if a return of samples is expected. All samples unclaimed for thirty (30) days will be disposed of at the discretion of the School District.

- U. **EVALUATION CRITERIA:** Primary factors used to decide the award hereunder will be price, quality, availability, and responsiveness. Other factors that may be used in the evaluation of this RFP will be: (1) administrative costs incurred by the School District in association with the discharge of any subsequent award; (2) alternative payment terms; (3) Bidder's past performance. The School District reserves the right to evaluate by lot, by partial lot, or by item, and to accept or reject any proposal in its entirety or in part, and to waive minor irregularities if the proposal is otherwise valid. In the event of a price extension error, the unit price will be accepted as correct. The School District has sole discretion in determining testing and evaluation methods. The School District may consider in conjunction to any award hereunder, those products, services and, prices available to them through contracts from state, federal, and local government agencies or other school districts within the State of Florida.
- V. **CLARIFICATIONS AND INTERPRETATIONS:** The School District reserves the right to allow for clarification of questionable entries, and for the Bidder to withdraw items with obvious mistakes. Any ambiguities or inconsistencies shall be brought to the attention of the designated Purchasing Agent in writing at least seven workdays prior to the opening date of the proposals. **Any current contractor meetings with District staff and administration, or instructional personnel shall at no time include any conversation regarding the Bid.**

**B. DOCUMENTATION AND REQUIRED ENCLOSURES:** All documents listed below must be returned in their entirety. **Failure to return all pages (entire document) or any of the items listed below may result in your proposal not being accepted.**

2. **Return your original proposal and one copy.** The copy should be a photocopy of your original proposal and there should be no differences in the RFP document or attached enclosures. Any difference or failure to include RFP attachments in both sets may cause your proposal to be rejected. **Please mark copy "COPY."**

3. Product specification sheets or certifications must be attached if requested for an item in the Specifications and Pricing Section and/or if offering alternate items. **Sending these sheets with your sample product does not negate the need to attach these as part of your proposal.**

4. If not currently doing business with the Escambia County School District, a business reference, preferably a School District must be submitted. See attached Form Number P-002, contained within this document.

**C. This certification will be provided to the school in advance of the vendor providing any services on campus while students are present. **The vendor will bear the cost of acquiring the background screening required by Section 1012.32, F.S.,** and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to vendor and its employees. - G. **EVALUATION CRITERIA:** Evaluation of proposals by the Evaluation Committee (consisting of representatives of the District's Food Services Department and Purchasing Department) will be made to ascertain which proposer best meets the needs of the School District. The School District reserves the right to evaluate by lot, by partial lot, or by item. Award will be made on the following criteria:
  - 1. Line Item by Low Price: Award for each line item will go to the vendor with the lowest price when the low price is for a product on the approved products list or where an alternate product is bid, was tested and approved by the District upon receipt of sample as detailed in this RFP. The District reserves the right to reject any bid with a minimum shipment requirement; therefore, low bid with minimum shipment requirements will only receive the award if the minimum shipment quantity is accepted by the District. Products approved prior to posting of RFP are listed in the Specifications and Pricing Section (Section VII ).
  - 2. Award by Lots: Aggregate low price for all line items in a lot (i.e. all cereal would be one lot) will be awarded to one vendor.
- H. **ALTERNATE BID:** The District shall have sole discretion in accepting or rejecting any alternate product offered.
- I. **ALTERNATE PRODUCTS:** The District pre-approves products prior to proposal evaluation. Bidding any product not listed on the approved list at the time of bid posting is an alternate bid. Bidders may bid an equal equivalent to the items approved. An alternate product will only be accepted if a sample is provided to the District in the time and manner listed in Section I, Introduction, page 2 of this RFP. The District shall have sole discretion in accepting or rejecting vendor's alternate/approved equal. If approved, the alternate product bid for that item will be added to the approved product list and will be accepted for potential award on this RFP. Request should be made to the Purchasing Agent listed on page 1 and page 2 of this document.

**DRUG-FREE WORKPLACE PROGRAM**  
**BIDDER CERTIFICATION**

IDENTICAL TIE BIDS - Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids which are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

- 1) Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
- 2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
- 3) Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
- 4) In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
- 5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
- 6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.
