To protect any confidential information contained in their Bid, companies must invoke the exemptions to disclosure provided by law in response to the ITB, and must identify the data and other material to be protected, and must state the reasons why such exclusion from public disclosure is necessary.
- C. **WARRANTY:** All goods and services furnished by the Bidder, relating to and pursuant to this Bid will be warranted to meet or exceed the Specifications contained herein. - R. **PERFORMANCE:** In an effort to reduce the cost of doing business with the School District, and unless indicated elsewhere, no bid or performance bond is required. However, upon award and subsequent default by Bidder, the School District reserves the right to pursue any or all of the following remedies: (1) to accept the next lowest available bid price or to purchase materials or services on the open market, and to charge the original awardees for the difference in cost via a deduction to any outstanding or future obligations; (2) the Bidder in default will be prohibited from activity for a period of time determined by the severity of the default, but not exceeding two years; (3) any other remedy available to the School District in tort or law.
- S. **AUDIT AND INSPECTION:** The District or its representative reserves the right to inspect and/or audit all the Bidder's documents and records as they pertain to the products and services delivered under this agreement. Such rights will be exercised with notice to the Bidder to determine compliance with and performance of the terms, conditions and specifications on all matters, rights and duties, and obligations established by this agreement. Documents/records in any form shall be open to the District's representative and may include but are not limited to all correspondence, ordering, payment, inspection and receiving records, and contracts or sub-contracts that directly or indirectly pertain to the transactions between the District and the Bidder.
- T. **SAMPLES AND BRAND NAMES: BRAND NAMES:** Specifications referencing specific brand names and models are used to reflect the kind and type of quality in materials and workmanship, and the corresponding level of performance the School District expects to receive as a minimum. Bidders offering equivalents or superior products to the brand/model referenced will: (1) reference on the Bid in the space provided the manufacturer's name, brand name, model and/or part number; (2) next to the price Bidder will indicate "ALT" to reflect an alternate offering; (3) where no sample is provided with the bid, Bidders will enclose sufficient technical specification sheets and literature to enable the School District to reach a preliminary evaluation; (4) the School District may request and Bidder agrees to submit a sample or to provide its product on-trial or demonstration, whichever the School District may deem appropriate, at no charge to the District; (5) the School District reserves the right to determine the acceptability of any alternatives offered. **SAMPLES:** Any sample requested by this bid or to be provided at the Bidder's option, should be forwarded under separate cover to the attention of the Purchasing Office of the School District. The package or envelope will reference the "Bid Number", "Bid Title", and "Bid Item Number" and clearly marked "Samples". All samples will be provided free of charge, including transportation charges. Bidders are responsible for notifying and making arrangements for pick up from the School District if a

return of samples is expected. All samples of items not involved in any bid protest must be claimed no later than five (5) days after the award of the Bid by the School Board. All unclaimed samples will be disposed of at the discretion of the School District.

- U. **EVALUATION CRITERIA:** Primary factors used to decide the award hereunder will be price, quality, availability, and responsiveness. Other factors that may be used in the evaluation of this bid will be: (1) administrative costs incurred by the School District in association with the discharge of any subsequent award; (2) alternative payment terms; (3) Bidder's past performance. The School District reserves the right to evaluate by lot, by partial lot, or by item, and to accept or reject any bid in its entirety or in part, and to waive minor irregularities if the bid is otherwise valid. In the event of a price extension error, the unit price will be accepted as correct. The School District has sole discretion in determining testing and evaluation methods. The School District may consider in conjunction to any award hereunder, those products, services and, prices available to them through contracts from state, federal, and local government agencies or other school districts within the State of Florida.
- V. **CLARIFICATIONS AND INTERPRETATIONS:** The School District reserves the right to allow for clarification of questionable entries, and for the Bidder to withdraw items with obvious mistakes. Any questions concerning terms, conditions or specifications will be directed to the designated Purchasing Agent referenced on the Bidder's Acknowledgement. Any ambiguities or inconsistencies shall be brought to the attention of the designated Purchasing Agent in writing at least seven workdays prior to the opening date of the Bid. Failure to do so, on the part of the bidder will constitute an acceptance by the bidder of consequent decision. An addendum to the ITB shall be issued and posted for those interpretations that may affect the eventual outcome of this bid. It is the bidder's responsibility to assure the receipt of all addendum issued. No person is authorized to give oral interpretations of, or make oral changes to the Bid. Therefore oral statements given before the bid opening date will not be binding. The School District will consider no interpretations binding unless provided for by issuance of an addendum. Addenda will be posted to the School District's Purchasing Website address at "<http://ecsd-fl.schoolloop.com/purchasing/bids>" at least five workdays prior to the opening date. The bidder shall acknowledge receipt of all addenda by signing and enclosing said addenda with their bid.
- W. **BID TABULATIONS, RECOMMENDATIONS, AND PROTEST:** Bid tabulations with award recommendations are posted for 72 hours in the Purchasing Office and are also posted to the School District's Purchasing Website address at <http://ecsd-fl.schoolloop.com/purchasing/bids>. Failure to file a protest within the time prescribed in Section 120.57(3) Florida Statutes, will constitute a waiver of proceedings under Chapter 120, Florida Statutes and School Board Rules. Bid tabulations, recommendations, or notices will not be automatically mailed.
- X. **CONTACT:** All questions for additional information regarding this bid **must be directed to the designated Purchasing Agent noted on page one.** Prospective bidders shall not contact any member of the Escambia County School Board, Superintendent, or staff regarding this bid prior to posting of the final tabulation and award recommendation on the website and in the Purchasing Office. - Y. **BID PREPARATION COSTS:** Neither the School District nor its representatives shall be liable for any expenses incurred in connection with the preparation of a response to this bid.
- Z. **AGREEMENT FORM:** All subsequent agreements as a result of an award hereunder, shall incorporate all terms, conditions and specifications contained herein, and in response hereto, unless mutually amended in writing.
- AA. **ADDITIONAL TERMS AND CONDITIONS:** The School District reserves the right to reject offers containing terms and/or conditions contradictory to those requested in this solicitation.

III. SPECIAL CONDITIONS

These "SPECIAL CONDITIONS" are in addition to or supplement Section II GENERAL TERMS AND CONDITIONS. In the event of a conflict these SPECIAL CONDITIONS shall have precedence.

- A. **TERM OF THE AGREEMENT:** All prices, terms, and conditions of the purchasing agreement will be in effect upon School Board approval from **February 1, 2015 through January 31, 2016.**
- B. **BID QUANTITIES:** Quantities are estimates based on prior year usage. Actual purchases may vary from item to item. The School District cannot guarantee that items will be purchased exactly as indicated. Purchase order quantities and issuance will be made on an "as needed" basis.
- C. **INVOICES:** All invoices, packing lists, and relevant documentation should reference the appropriate purchase order or transaction number and description shown in the detail specifications. No additional trucking, freight or fuel surcharges will be either considered or paid.
- D. **DOCUMENTATION:** All invoices, packing lists, and relevant documentation should reference the appropriate purchase order and the seven digit School District item identification number shown in the detail specifications.
- E. **DELIVERY:** Deliver all goods to the Escambia County District Warehouse, 51 East Texar, Pensacola, Florida 32503. All shipments/deliveries must be received and signed for by the Warehouse Manager or his designee. Delivery appointments must be made at least 24 hours in advance by calling 850-469-5321 or 850-469-5623.
- F. **BACKGROUND SCREENING REQUIREMENTS:** Vendor will comply with all requirements of Sections 1012.32 and 1012.465, Florida Statutes, by certifying that the vendor and all of its employees who provided services under this contract have completed the background screening required by the referenced statutes and meet the standards established by the statutes. This certification will be provided to the school in advance of the vendor providing any services on campus while students are present. The vendor will bear the cost of acquiring the background screening required by Section 1012.32, F.S., and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to vendor and its employees. The vendor will follow the procedures for obtaining employee background screening as outlines on the Escambia County School District Website: <http://ecsd-fl.schoolloop.com>. Vendor will provide school a list of its employees who have completed background screening as required by the referenced statutes and meet the statutory requirements. Vendor will update these lists in the event that any employee listed fails to meet the statutory standards or new employees who have completed the background check and meet standards are added. The parties agree that in the event that vendor fails to perform any of the duties described in this paragraph, this will constitute a material breach of the contract entitling school to terminate immediately with no further responsibility to make payment or perform any other duties under this contract. Vendor agrees to indemnify and hold harmless school, its officers and employees from any liability in the form of physical injury, death, or property damage resulting from vendor's failure to comply with the requirements of this paragraph or Sections 1012.32 and 1012.465, Florida Statutes.
- G. **DOCUMENTATION AND REQUIRED ENCLOSURES:** All documents listed below must be returned in their entirety. **Failure to return all pages (entire document) or any of the items listed below may result in your proposal not being accepted.**
 - 1. **The entire RFP document (pages 1 – 27):** The signature on the first page must be an original signature – no fax or email documents will be accepted. In the event that the bidder makes an error on entering any information and enters a correction, the change(s) must be initialed. Any

proposal submitted with strike over or white out corrections that are not initialed will be rejected as non-responsive.

2. **Drug Free Workplace form:** Page 24 of the proposal document, while not required, will be a determining factor in award between two bids equal in price, quality and service. If submitting, the signature must be an **ORIGINAL**.
 3. **FLORIDA PREFERENCE:** Pursuant to §287.084 Florida Statute, award recommendations shall make appropriate adjustments to pricing when considering solicitations from Proposers having a principal place of business outside the State of Florida. All Proposers must complete and submit the "Bidder's Statement of Principal Place of Business", (Attachment A on page 25) with the response to this solicitation. Failure to comply shall be considered non-responsive to the terms of this solicitation. Refer to: <http://www.leg.state.fl.us/Statutes/index.cfm>.
 4. **Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions:** Pages 26 and 27 of the proposal document must be complete with an ORIGINAL signature and returned with the proposal.
- H. **BID COMMUNICATION:** In the event a posted Bid requires clarification, or amendments; this information will be posted to: <http://ecsd-fl.schoolloop.com/purchasing/bids>, by the Purchasing Agent Responsible for this solicitation. Requests for clarification of bid items will need to be received in writing, preferably via email, no later than 5:00 PM, CST, Monday, October 20, 2014 by the Purchasing Agent listed on Page 1. Any applicable amendments or responses will be posted to the District website above no later than 5:00 PM, CST, Tuesday, October 21, 2014.
- I. **MINIMUM ORDER REQUIREMENTS:** The District requests dual pricing when minimum order requirements are included in the bid proposal. The bid price will reflect the price if the minimum order requirement is met. The second price will be provided in writing and will then be included as part of the bid solicitation once requested. This price will be the price if the minimum order is not met. It is understood that this requirement is often dictated by the manufacturer of the item and not the vendor or reseller of the product. It is requested that bidders attempt to keep minimum order requirements to a low level as the recent high minimum order requirements have put undue financial hardship on the District.
- J. **SAMPLES:** If offering a brand and/or product OTHER THAN AS SPECIFIED, SAMPLES ARE REQUIRED. Please make a notation in the comments section of this document on page 23 if you are sending a sample. The deadline to submit samples is 2:00 PM, CST, Tuesday, November 4, 2014. Samples should be brought/sent to the Purchasing Department, 75 N. Pace Boulevard, Pensacola, FL 32505. Samples should be clearly labeled "**SAMPLE FOR ITB NUMBER 150605.**" Your bid will not be accepted on any product that does not include a sample if you bid a product that is not listed on the pre-approved list in the Specifications and Pricing section. Sample should be identified by bid item number and vendor product/order number. Please note that samples submitted in accordance with the above prescribed manner, and paragraph **T of General Terms and Conditions (Section II)**, by the due date will be evaluated prior to bid evaluation. Samples received after the opening date and time may be evaluated for future bids, at the discretion of the District.
- K. **PRICING:** It is the bidder's responsibility to ensure that the pricing listed in the bid will be the pricing for the **entire** bid period. As purchases can occur throughout the bid term in varying quantities; any price based on discounts will still need to be honored.
- L. **PAYMENT PREFERENCE:** The District utilizes a Visa® based Purchasing Card when possible. In the event of a tie, preference may be given to a vendor who will allow the use of District-issued Purchasing Cards with no additional fees added to the order. Please indicate if a Purchasing Card may be used on page 23, under "**Comments.**"

- M. **ALTERNATE BID:** The School District shall have sole discretion in accepting or rejecting any alternate product(s) bid.
- N. **ALTERNATE PRODUCTS:** The School District pre-approves products prior to bid. Offering any product not listed as approved in this document is an alternate bid. Bidders may bid an equivalent product in lieu of the items approved. An alternate product will only be accepted if a sample is provided to the District in the time and manner stated within this document. The District shall have sole discretion in accepting or rejecting a vendor's alternate product. If approved, the alternate product bid for that item will be added to the approved product list and will be accepted for potential award for this and future solicitations. For larger and/or more expensive items; vendors may send detailed specifications, including, but not limited to, photos or drawings and the full manufacturer's warranty in place of the sample, providing a request is made in writing by 5:00 PM CST on November 4, 2015 to the Purchasing Agent listed on Page 1 of this document.
- O. **SUBSTITUTIONS:** Only those items bid shall be shipped and accepted. In the event that an item is discontinued by the manufacturer, the bidder may not substitute an equivalent item without first submitting specifications with any deviations to the original specifications noted. If the District so desires, a sample may be requested. Substitute products replacing a product awarded must be offered at the same price or lower than the discontinued product. Such pricing will remain in effect for the balance of the bid term. A new model that directly replaces a discontinued model is not considered a substitution under this paragraph.
- P. **DISCONTINUED ITEMS:** In the event the manufacturer/supplier replaces the specified products with a new product, the Vendor will notify the Purchasing Agent listed on page one in writing, and will apprise them of product replacement options at the Contract Price, and/or any cost reduction available for the specified product(s). The School District reserves the right to authorize such product replacement and/or cost reduction on any specified product(s).
- Q. **FLORIDA PUBLIC RECORDS LAW:** Respondent shall comply with Florida Statute Ch119 Public Records Law. Specifically, Respondent agrees that it will:
1. Keep and maintain public records that ordinarily and necessarily would be required by the District in order to perform the services performed by Vendor under the Agreement.
 2. Provide the public with access to such public records on the same terms and conditions that the District would provide the records and at a cost that does not exceed that provided in Chapter 119, Florida Statute, or as otherwise provided by law.
 3. Ensure that public records that are exempt or that are confidential and exempt from public records requirements are not disclosed except as authorized by law.
 4. Meet all requirements for retaining public records and transfer to the District, at no cost, all public records in possession of Vendor upon termination of the Agreement and destroy any duplicate public records that are exempt or confidential and exempt. All records stored electronically must be provided to the District in a format that is compatible with the information technology systems of the District.
 5. The failure of the Vendor to comply with the provisions set forth shall constitute a default and breach.
- R. **EX PARTE COMMUNICATION:**
1. Ex parte communication, whether verbal or written, by any potential Bidders or representatives of any potential Bidders to this solicitation with District personnel involved with or related to this Bid, other than as expressly designated in this document, is strictly prohibited. Violation of this restriction may result in the rejection/disqualification of the Bidders' offer.

2. Ex parte communication, whether verbal or written, by any potential Bidders or representative of any potential Bidders to this solicitation with District Board members is also prohibited and will result in the rejection/disqualification of the Bidders' offer.
3. Any current contractor meetings with District staff and administration, or instructional personnel shall at no time include any conversation regarding the bid.
4. **Questions regarding bid must be directed to the Purchasing Agent listed on page one within the timeframe provided for clarifications and interpretations under letter X, General Terms and Conditions (Section II, page 5).**

DRUG FREE WORKPLACE

Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids which are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process.

Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

- 1) Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
- 2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
- 3) Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
- 4) In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employees will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
- 5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
- 6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.110.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause title “Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions,” without modification of all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
