

QUESTIONS AND ANSWERS

The following questions have been submitted concerning Bid #211002, Miscellaneous Paper Products for School Cafeterias. All questions received have been answered, and are provided verbatim from what was received:

BIDDER QUESTION #1: 1.) Just wanted to verify, even though I read it in the introduction, that the samples for items 4 and 5 must be in by December 17th? I'm asking because in Section II T, it says you can bid an alternate and include enough technical data and literature that allows the School District to make a preliminary evaluation. But then in Section III, M, it says samples are required if the products have not been previously approved by the District.

Yes, samples are due on Thursday, December 17 at 12:00 p.m. CST. All documentation needed for product evaluation must be included with the sample.

BIDDER QUESTION #2: Would you provide a copy of the Previous Bid Tabulation and Award Notice on the Bags, Plastic, gallon size (0702835)?

The previously awarded bid tabulations and award notices are posted at:
