

**QUESTIONS AND ANSWERS**  
**RFP 211505 Band Uniforms – Tate High School**

The following questions have been submitted concerning RFP 211505: Band Uniforms – Tate High School. All questions received have been answered and are provided verbatim from what was received:

BIDDER QUESTION #1: Are we allowed to send our Uniform Management Program on a CD instead of a jump drive.

**The Uniform Management System can be on a CD or jump drive. A jump drive is preferred.**

BIDDER QUESTION #2: On page 16 under "H - Uniform Specifications" it indicates "all parts of this uniform must be machine washable." That is certainly do-able, however on page 17 under "Coats-Marching Specifications", there is a line for the collar which says "to contain dry cleanable plastic for extra durability." Can you please clarify if the coat is to be machine washable or dry cleanable?

**Machine washable plastic or some type of reinforced material in the collar to make sure the collar does not warp over time.**
