

QUESTIONS AND ANSWERS
RFP #221303: Fire Suppression System Services

The following questions have been submitted concerning the RFP shown above. All questions received by the posted deadline of 4:00 PM, CST, Wednesday, March 30, 2022 are provided verbatim from what was received and have been answered in bold. It will be the responsibility of the Proposer to determine what, if any, information from the Questions and Answers provided herein will be applicable in the submission of a Proposal. As stated in Section III (Special Conditions), Letter Q (Miscellaneous): "The submission of a Proposal shall be prima facie evidence that the Proposer has full knowledge of the scope, nature, quantity and quality of work to be performed; the detailed requirements of the specifications; and the conditions under which the work is to be performed."

RESPONDER QUESTION #1: Will the anti-freeze system backflow at NB Cook and the ECSD Warehouse on Texar, be on a separate bid or will you be adding them to this bid?

ANSWER #1: Any services other than the system inspections for locations listed in the RFP will be requested by the Maintenance Department in accordance with Section IV.C. on Page 11 of the solicitation. Quotes provided in accordance with that section will be based on the rates proposed by the awarded Responder on Page 22 of the solicitation.
