I. INTRODUCTION

This purpose of this solicitation is to establish a three (3) year agreement for the direct delivery of frozen dessert novelties to the school cafeterias in the Escambia County School District. All pricing, terms, and conditions of this agreement shall be fixed and in effect for all products listed in this document for the initial term of this agreement. The quantities listed herein are the best estimate of the District based on prior and projected usage. The District will make every attempt to adhere as closely as possible to the estimated dates and quantities. However, the District reserves the right to reduce the number of shipments and/or purchase additional quantities at the agreement price at any time during the agreement period. The District does not pay fuel adjustment charges.

Upon School Board approval, the initial term shall begin on August 1, 2022 through July 31, 2023 with two (2) one-year renewal options to begin on August 1 of each year upon mutual consent of both parties and School Board approval. Either party can cancel the contract without reason at the end of each contract year. Cancellation must be in writing and received ninety (90) calendar days prior to the end of each contract year. For successive renewal year(s), the Bidder may request an increase equal to the allowable increase in the School Food Lunch Reimbursement program using the index in effect at the time of the request. The request must be submitted in writing to the Purchasing Department ninety (90) calendar days prior to August 1 of each renewal year. If the Bidder can prove economic conditions warrant a greater increase with supporting supplier/manufacturer invoices and other documentation of Bidder's cost increase, the request will be subject to negotiation. The approval of any price increase will be determined solely by the District. If the District agrees to the price increase, the agreement will be renewed for an additional one (1) year period at the new price with all other terms and conditions remaining unchanged.

Food products should be 100% domestically grown and processed.
- M. **INSPECTIONS:** If applicable, all products delivered shall conform in all respects to applicable standards promulgated under the Federal Food, Drug and Cosmetic Act, and the Meat Inspection Act and the Poultry Products Inspection in effect at the time of delivery. No product that contains any artificial coloring agent, such as #2 red dye, is to be offered on this Bid. The School District of Escambia County shall be permitted to inspect the processor's inventory of USDA donated commodity products or the School District's bulk or processed meat items that he has on hand at any time.

- O. **IRRADIATION PROCESS:** Food items preserved by the use of an irradiation process are prohibited. Do not submit a bid for those items.
- P. **SPECIFICATIONS:** Bids must be submitted in strict accordance with the specifications contained herein; if vendor is submitting a Bid not conforming to specifications, please indicate this in the pricing section. Complete information and product specifications must be included with the Bid.

Regarding their participation in the taste test, the group of students will be informed of the importance of their decisions in the District menu development. The students will participate in a blind taste test and are given a score sheet to rate each item as acceptable or unacceptable. The test results are tallied and each item is given an approved or unapproved status based on a substantial majority vote. If an item will be used exclusively for a la carte sales, there is an additional question on the score sheet which asks if a student would pay a specified amount for the product. In some instances, new products are tested on the reimbursable meal line and approval is based on verbal student feedback and/or sales.
- T. **SAMPLE REQUIREMENTS:** Samples are required under the circumstances listed below.

- B. **DELIVERY PROCEDURES AND INFORMATION:** Deliveries shall be made to each school at a time that is convenient for cafeteria operations.
 - 1. Deliveries shall be made between 6:15 a.m. and 10:00 a.m. Central Standard Time. If delivery is unable to occur at the requested time, the Bidder and the Food Services Office must agree, in writing, on the scheduled delivery time.

This also excludes leaving product with custodial or security staff.** If, on rare occasions, a reason should arise that would make this acceptable to a cafeteria manager, the vendor shall notify the Food Services Office, in writing, that the cafeteria manager has authorized product to be left with non-cafeteria staff.
- C. **CONDITION OF PRODUCT AT TIME OF DELIVERY:** Contractors shall assure that refrigerated trucks are used to protect products during transport and that these trucks comply with all ServSafe/Haccp (Hazard Analysis Critical Control Points) regulations. At destinations, all products shall be in compliance with applicable specifications and will be reexamined by the consignee for cleanliness and soundness.

- D. **DELIVERY EQUIPMENT (FROZEN FOOD):** The successful vendor and/or his delivering carrier shall utilize properly insulated, mechanically cooled, thermostatically controlled equipment. All frozen food items must arrive in a hard frozen state.**
- E. **PRODUCT RECEIVED IN CONDITION THAT WOULD RENDER IT UNFIT FOR HUMAN CONSUMPTION:** All products delivered shall have been processed and packed in accordance with good commercial practices. Any food product offered for delivery that has, in the expert opinion of the District Warehouse manager, the Food Services Staff, the local Health Department, of USDA Health Inspector, been for any reason rendered unfit for human consumption shall be refused and returned to the shipper at the shipper's expense or otherwise disposed of at the direction and expense of said shipper. Any frozen product that has thawed and/or shows signs of thawing and re-freezing would fall in the above category.

As an acceptable alternative, vendors may bill by statements only, providing that invoice numbers appear on each school cafeteria statement. Payment may be expected within thirty (30) days after the invoices/statements are received in the Food Service Accounting Office.

6. Do not mail information to individual schools. Except for the school's two (2) copies of the invoices, all other information shall be mailed or e-mailed to the District's Food Services Accounting Office.
- C. **INVOICES AND CREDIT MEMOS:** All invoices and credit memos must be submitted in triplicate and all three (3) copies must be signed by the cafeteria manager or their authorized representative. The three (3) copies will be distributed as follows:

 3. If for any reason, it is necessary to make changes on the delivery ticket (invoices), the vendor shall make an additional charge or credit memorandum.
 4. All cancellations or merchandise returns must be recorded by the driver on all three (3) copies of the invoices or "Pick-up tickets" and signed by said driver.
 - a. The driver will leave two (2) copies with the manager at the time of pickup.
 - b. The driver will retain one (1) copy for the vendor.
 5. All credit claims necessitated by non-delivery of centrally purchased items will be deleted from the total payment for that period, listed separately, and supported by descriptive information.
- D. **INVOICE/PACKING LIST NOTATIONS:** All invoices, packing lists, and relevant documentation should reference the appropriate purchase order, seven (7) digit School District item identification number shown in the detail specifications, and School Cost Center number.

VII. SPECIFICATIONS AND PRICING

PLEASE NOTE: Each item has space to indicate portion or container (box/case) size and the number of portions or containers per case. If the number of containers per case is one (1), then state one (1) in the appropriate box. This information must be filled out even if packaging exactly matches the specifications. **See Section III, Special Conditions, Item L for policy on imported products.** Any minimum shipment requirement must be noted in the comments section for every item requiring minimum shipments. The District reserves the right to reject your offer of any and all items that have a minimum shipment requirement. If you do not list a minimum shipment requirement on this Bid and you are awarded that item, the District will not honor minimum ship quantities when orders are placed.

- 4) In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
- 5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
- 6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

1. By signing and submitting this form, the prospective lower tier participant is providing the certification above in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

ESCAMBIA SCHOOL DISTRICT PUBLIC RECORDS ADDENDUM (ATTACHMENT G)

CONTRACTOR'S RESPONSIBILITY FOR COMPLIANCE WITH CHAPTER 119, FLORIDA STATUTES. Section 119.0701(1)(a), F.S. defines a "contractor" as "an individual, partnership, corporation, or business entity that enters into a contract for services with a public agency and is acting on behalf of the public agency as provided under s. 119.011(2)." To the extent CONTRACTOR fits within the foregoing definition, pursuant to Section 119.0701, F.S., CONTRACTOR agrees to comply with all public records laws, specifically to:

A. Keep and maintain public records required by the School Board to perform the service.

1. The timeframes and classifications for records retention requirements must be in accordance with the General Records Schedule GS1-SL for State and Local Government Agencies and GS7 for Public Schools. (See <http://dos.myflorida.com/library-archives/records-management/general-records-schedules>)

2. Records include all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business with the School Board. Contractor's records under this Agreement include but are not limited to supplier/subcontractor invoices and contracts, project documents, meeting notes, emails and all other documentation generated during this Agreement.

B. Upon request from the School Board's custodian of public records, provide the School Board with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for by law. If a Contractor does not comply with the School Board's request for records, School Board shall enforce the provisions in accordance with the contract.

C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to School Board.

D. Upon completion of the contract, transfer, at no cost, to the School Board all public records in possession of the Contractor or keep and maintain public records required by the School Board to perform the service. If the Contractor transfers all public records to the School Board upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon the completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records kept electronically must be provided to the School Board, upon request from the School Board's custodian of public records, in a format that is compatible with the information technology systems of the SCHOOL BOARD.

IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE SCHOOL BOARD OF ESCAMBIA COUNTY, CUSTODIAN OF PUBLIC RECORDS AT (850)469-6131, SPAYNE2@ECSDFL.US, OR 75 NORTH PACE BLVD., PENSACOLA, FL 32505.

A Contractor who fails to provide the public records to the School Board within a reasonable time may also be subject to penalties under Section 119.10, Florida Statutes.
