

QUESTIONS AND ANSWERS

RFP #230602 – Automatic Dishwashing Dispenser System and Cleaning Detergents

The following questions have been submitted concerning RFP #230602, Automatic Dishwashing Dispenser System and Cleaning Detergents. All questions received have been answered and are provided verbatim from what was received:

BIDDER QUESTION #1: How many schools utilize an automatic dish machine?

Currently, eight (8) elementary schools are using an automatic dish machine. The lack of staffing has prevented the use of dish machines at more school locations.

BIDDER QUESTION #2: What was the total spending to the awarded winner of the previous bid over the course of the contract period?

For the period of July 2017 through September 2022, the spending total is \$459,018.18.

BIDDER QUESTION #3: Will this bid be judged by in use cost (price per diluted gallon) or concentrated price?

The pricing will be evaluated using the concentrated container price.
