

QUESTION AND ANSWER

The following question has been submitted concerning Bid #231202 – Miscellaneous Food Items. The question received has been answered and are stated verbatim from what was received:

QUESTION #1 – Why is Escambia overlapping with Misc. Food Items #222002 bid we did in late 2022? Those dates were 7/7/22-7/19/23.

Answer #1: The solicitations are separate agreements. Several items were not awarded on Bid #222002. Therefore, the current Bid #231202 solicitation was issued. It is for a six (6) months period. The term expiration date of September 30, 2023 will align with the expiration date for the main solicitation (Bid #230402 – Condiments, Spices, and Staples) for the majority of the items listed. These items will then be included in the next solicitation for Condiments, Spices, and Staples.
