AWARD NOTICE

DATE:

June 12, 2023

RFP TITLE & REFERENCE:

Fresh Produce for Direct Delivery to School Cafeterias (Includes Farm-to-School Program), RFP #231802

DESCRIPTION OF PURCHASE:

An agreement for the establishment of a list of approved fresh produce vendors and to define specific products that may be purchased by cafeteria managers for use in breakfast and lunch meals in school cafeterias. The agreement supports the Farm-to-School Program, a collaborative project of the Department of Agriculture, that connects schools and local farms to promote the use of locally grown healthy foods in the K-12 school setting, improves student nutrition, educates students about food and health, and supports local and regional farmers. Farm-to-School produce may be purchased directly from the vendor(s) on this list or the District/Department of Agriculture may contact directly with a local farmer and use vendor(s) on this list for product pickup and delivery to District cafeterias.

Vendors were rated in four (4) areas, with the recommended award to one (1) vendor earning the highest point value. The decision concerning vendor utilization and school assignment of vendor or vendors will be made by Food Services Department. The price on the RFP Tabulation reflects on the vendor's distribution fee per product and points rating. The cost of products will be the vendors actual cost plus the distribution fee.

Effective Dates: July 1, 2023 through June 30, 2024 with four (4) one-year renewal options upon mutual consent.
