No, the District will not accept it as an alternative for item #70.

BIDDER QUESTION #2: Could you please provide the details of the previously awarded spice items for 250102? We are interested in bidding for the same.

3) Hoping to get clarification regarding distribution. In reviewing the XL, the 1st tab shows column O 'Ship Type' as Direct Shipment, where the 2nd tab (History) shows column AE 'Bidding Vendor' with both manufacturers & distributors (Sysco and Butler.) I am working to get samples sent to Escambia per the instructions and the vendors need clarification on what the awarded bid distribution is. Thanks for clarifying what the method of shipment is for this bid.

Per page 2 of the bid document, food deliveries will be shipped to the ECSD Central Warehouse, 51 E. Texar Drive, Pensacola, FL 32503.
